The World's Knowledge Marketplace

Our network includes more than 700,000 experts — and our global team can custom-recruit the professionals who meet your needs:

Growing Expertise

Our global team hand-selects and adds more than 200 new expert professionals to our network per day.

Go to Market

We engage the right experts to provide feedback on your product or service before you go to market, saving time and money.

Highest Standards

Our unparalleled Compliance framework allows clients to engage with experts through a trusted platform supported by dedicated professionals who scope and manage appropriate engagements.

Find Out More About GLG and the Other Services We Provide:

GLG Events

GLG Events offer real-time, curated engagements, from market-specific roundtables and teleconferences to custom workshops and focus groups.

GLG Consultations

GLG Consultations connect you with experts in specific topics, businesses, or industries for calls and/or in-person meetings.

GLG Surveys

GLG Surveys create B2B panels built from the world's largest and most varied source of first-hand expertise.

GLG Placements

GLG Placements bring C-suite professionals to you, so you can quickly get your team up to speed.

GLG Projects

GLG Projects engage our experts for longer-term and more in-depth engagements, such as market assessments and voice-of-customer research.
